

Toronto Humane Society Kitten Adoption Follow-up Survey

Thank you so much for adopting your kitten through us, and for taking the time to fill out our survey! We hope to use the information we collect to improve the care we provide to future kittens that come through our doors. The information you provide in this 5-minute, 25 question survey will go a long way to helping ensure that Toronto Humane Society is always changing and growing to meet the needs of the animals in our care. We really appreciate your participation!

* Indicates required question

1. Please enter your cat's Toronto Humane Society ID number provided in the email *

2. Q1. Do you still have this cat? *

Mark only one oval.

- ☐ Yes

- ☐ No

Describe Your Cat's Personality Traits

For the following questions please describe your cat ONE YEAR after his/her adoption to the best of your memory

Please rate the presence of each trait in your cat from 1-5, with 1 meaning the trait is absent and 5 meaning the trait is present very often ONE YEAR after his/her adoption

4. Q3. Fearful - for example, runs and hides in response to sudden noise (vacuum cleaner, dropped object, loud music, etc.) or when an unfamiliar person and/or animal enters the house, is restless around new objects in the house (lowered body, slowly approaching the object, constant ear movements, dilated pupils) and does not follow the daily routine (behave as usual) when exposed with new objects. *
