

Online rehoming allows animals to be adopted via person-to-person.

Evaluated senior animals (cats & dogs) and large dogs from 23 Shelters and rehome.adoptapet.com (Rehome)

Senior animals and large dogs experienced higher adoption rates and shorter shelter stays than on Rehome—yet Rehome still facilitated successful placements.

By allowing animals to bypass the shelter system, reducing stress for both animals and shelters, Rehome could serve as a valuable complementary tool.
